

A hand-drawn sketch of a landscape, likely a farm or estate. In the foreground, there are rows of trees or crops. In the middle ground, a large, multi-story building with a red roof and a central tower is situated on a hill. The background shows a wide expanse of land with various structures and trees. The drawing is done in pencil or light ink on aged paper.

# ATTENTION!

## NEW STORE AT APPLE RIVER.

I have opened a Store, one door west of the **POST-OFFICE**, in the building formerly occupied by P. H. Lappan, as a Harness shop. I am selling goods at the

**LOWEST LIVING PRICES.**

I will give in exchange for *Butter, Eggs, &c.*, Dry Goods and Groceries, the same as if you gave me the Cash.

Farmers will do well to call and see me before going elsewhere. I have been in the business for several years with J. M. Irvine, as a clerk, and now I have started for myself. My Motto is, "*Live and let Live.*" No trouble to show Goods. Call and see me.

**W. D. ENNOR.**

**P. S.**---It is rumored by some that I am in partnership with some one. This is *not so*. I am independent, and can act untrammelled.
